ONCE UPON A TIME A WOLF AND THREE LITTLE
PIGS WERE LIVING HAPPILY ALL TOGETHER
IN A HOUSE IN THE FOREST.

5th kindergarten of Kilkis- Greece

EVERY DAY THEY WENT FOR A WALK IN THE
RIVER AND THEY WERE PLAYING, THEY WERE
READING BOOKS AND THEY HAD FUN

BUT THE FOREST WITCH WAS JEALOUS OF
THEM AND SUDDENLY ONE NIGHT SHE
KNOCKED ON THEIR DOOR.

On Halloween night the witch wispered "knock, knock, trick or treat?" but nobody answered. "Please open the door. I'm alone and cold" she said. The pigs opened the door and when the witch entered the house, she took out of her big hat three magic balloons. One for each pig!

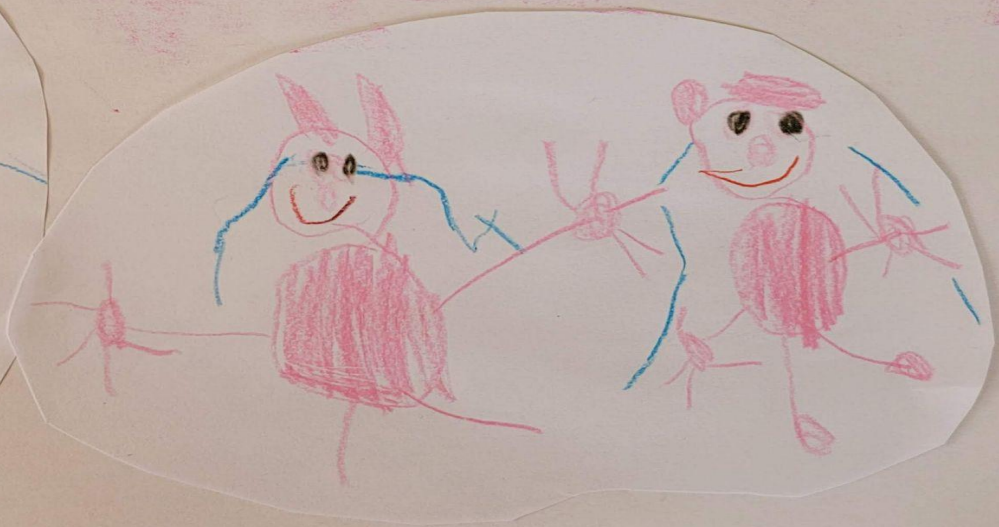

The three little pigs accepted the gift of the witch and threw a party right away. They were dancing and having fun holding the magic balloons.

Suddenly, the balloons got out of the window and started going up in the dark sky.
What happened there?

The 3 Little Pigs were so sad that they started to cry

So the wolf decided to go finding the balloons, and started to jump, but they were too high

SC. INF. SAN MICHELE - TERNI - ITALY

To go high in the sky the wolf used a great hot air balloon

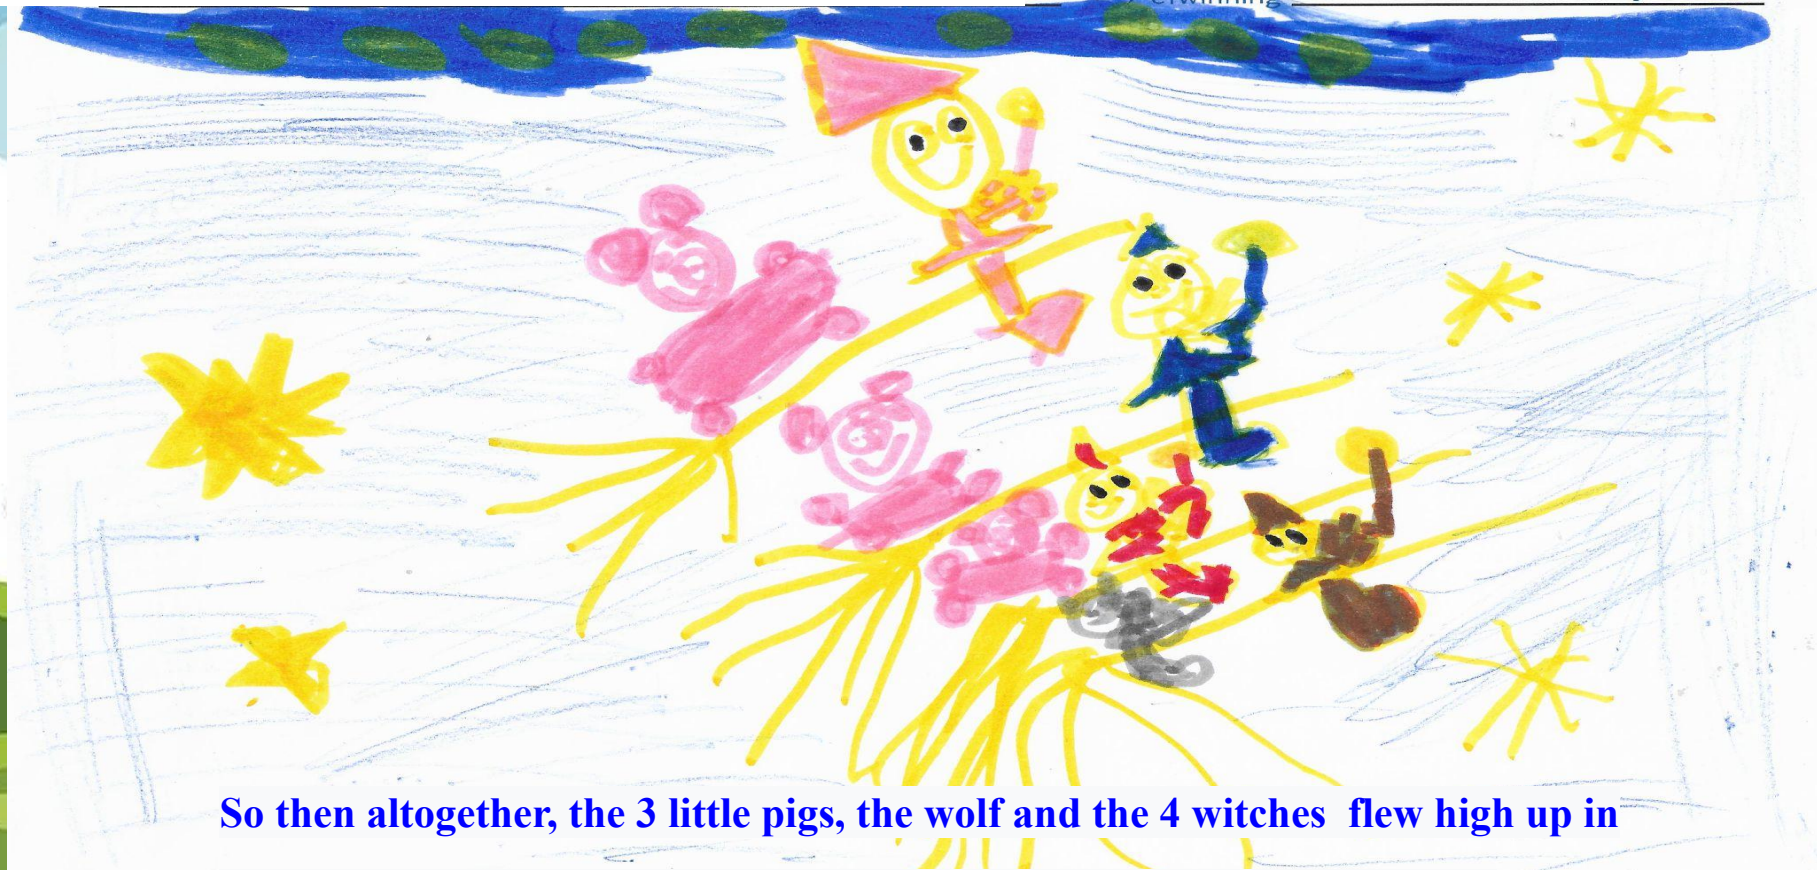

The wolf caught the balloons and brought them back to the 3 little pigs. They pigs were very happy! They immediately hugged them tightly.

Suddenly the balloons were transformed into 3 witches.

The little pigs were very surprised!

So then altogether, the 3 little pigs, the wolf and the 4 witches flew high up in the sky and the 4 friends now became 8! All of them were so excited!!!
