

DEBATE

An illustration of a debate stage. Two figures stand at black podiums on either side of a central blackboard. The figure on the left wears a teal top and a white and teal checkered skirt. The figure on the right wears a white and red striped shirt and a red skirt. The background is a dark red wall decorated with yellow stars, a teal circle with two stars, and red speech bubbles. A large hand icon points upwards from the bottom right. The central blackboard has a red-bordered text box in the middle and a list of names at the bottom.

MOTION:
THE USE OF AI SHOULD BE ALLOWED
IN ART

BY
NINA MARIA SAREN, GIOVANNI SACCOMAN, FRANCESCA
MANNI, ANNACHIARA LIBRALON, GRETA MAZZARO

THE INCLUSION HACK

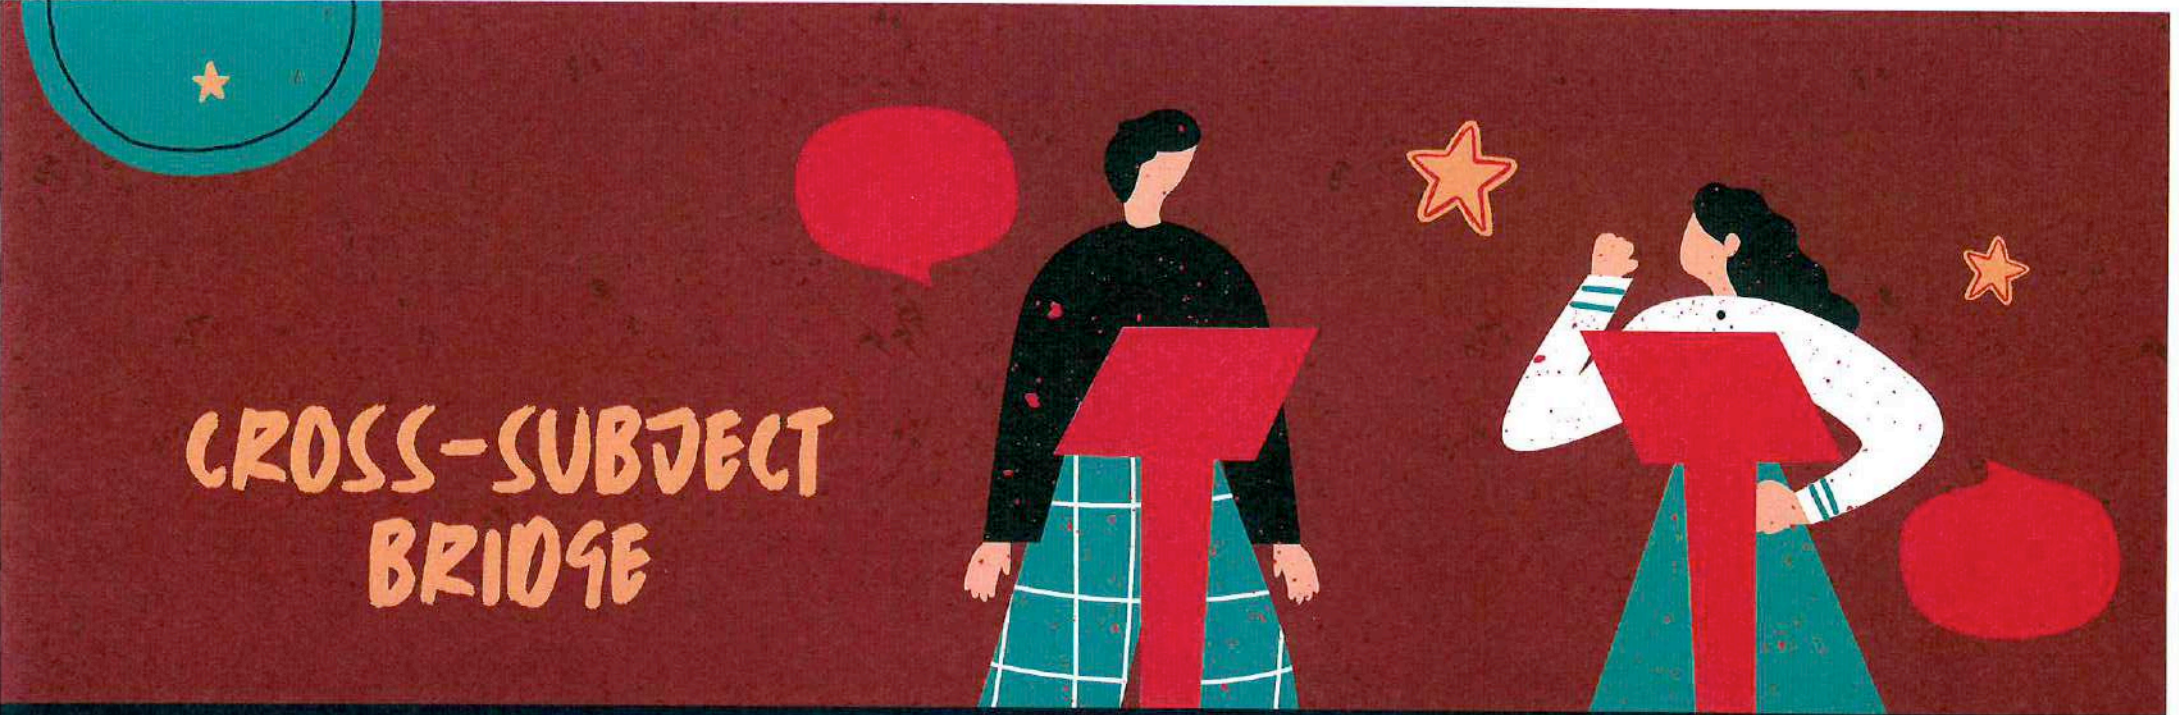

DEBATE IS AN ORGANIZED SPEECH, AN
INCLUSIVE METHOD BECAUSE THERE ARE RULES
THAT ALLOW STUDENTS TO TALK FOR THE SAME
TIME\MINUTES WITHOUT BEING INTERRUPTED.
THE PURPOSE OF DEBATE IS TO ENCOURAGE
ANALYTICAL THINKING, IMPROVE
COMMUNICATION SKILLS, AND DEVELOP
CONFIDENCE IN EXPRESSING IDEAS PUBLICLY.

An illustration on a dark red background. On the left, a man in a teal suit and black tie stands behind a white podium with a teal circle on it. He is pointing his right index finger upwards. To his left is a red flag on a black pole and a yellow star. In the center, a woman with dark hair, wearing a white long-sleeved shirt with black buttons and a teal skirt, holds a teal megaphone to her mouth. To her right is a large, dark blue speech bubble containing text. Above the speech bubble is a yellow star. To the right of the speech bubble is a white document with a teal circle and the text 'BALLOT SECRECY FOLDER' in red. Below the speech bubble is a red speech bubble and a yellow star. In the bottom right corner, there is a teal circle with two yellow stars.

SUSTAINABILITY

THE DEBATE WE OBSERVED HAD THE FOLLOWING MOTION: "AI USE IN ART SHOULD BE ALLOWED", AN IMPORTANT ISSUE BECAUSE ART IS A SOCIAL PHENOMENON AND AI CAN EITHER TRANSFORM OR DEFORM THE PROCESS OF ART. ALSO, AI HAS A HUGE CARBON FOOTPRINT, AND THEREFORE ITS IMPACT ON THE ENVIRONMENT CANNOT BE IGNORED.

CROSS-SUBJECT BRIDGE

- MORAL LESSONS DERIVED FROM THE CLASSICS CAN BE APPLIED TO SCIENTIFIC ADVANCEMENTS AND DISCUSSED THROUGH DEBATE.
- LANGUAGE SKILLS COMBINED WITH POSITIVE THOUGHT PROVIDE A HOLISTIC, PEDAGOGICAL ENHANCEMENT TO STUDENTS.
